

## WESTLAKE VILLAGE ART GUILD

# WVAG

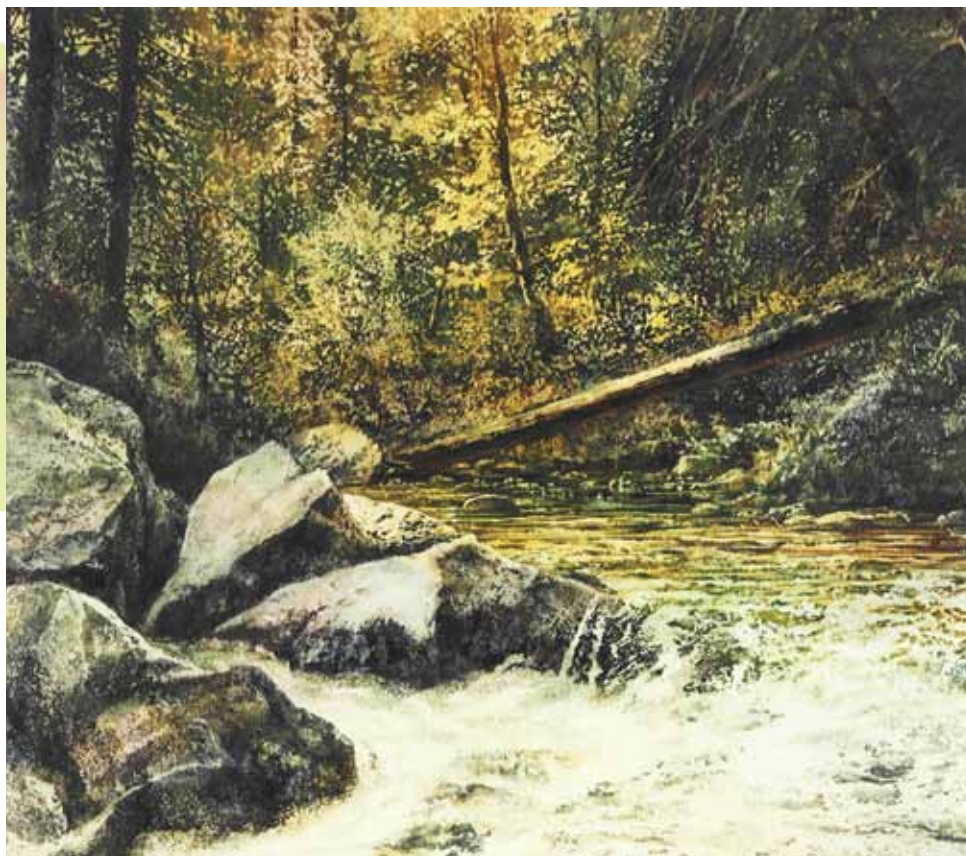

Please join us on  
Tuesday, January 3, 2012  
for a Watercolor Demo by  
**Don Fay**

A Southern California award-winning artist in both commercial and fine art, Don Fay graduated from the California College of the Arts

and completed his formal education at the Art Center College of Design. He later studied extensively with Robert E. Wood, Sergei Bongart and Milford Zornes. During his varied commercial art career as a designer, illustrator and art director, Don worked as a Visual Information Officer in the Department of Defense and served in collateral duty on the Federal Board of Examiners for the Office of Personnel Management judging art and design applicants' portfolios for government positions. His illustrations and designs have been widely published and he has produced several government and corporate murals.

As a fine artist, Don works and exhibits in many media with a particular concentration on transparent watercolor. He describes his work as running the gamut from "non-objective to the representational". Diversity is his hallmark. "One style only," he says, "cramps his style." In addition to having taught watercolor at the college level, Don continues to conduct seminars including weeklong workshops in the

Sequoias and Yosemite. He is also very active as a demonstrator.

Over the years, Don has exhibited in thirty-plus individual shows and currently displays his work in galleries and juried exhibitions. Notable California gallery representatives have included Starry-Sheets Gallery in Laguna Beach, Fireside Gallery in Carmel and the Gallery of the Pines in Mammoth Lakes as well as James Waterbury Gallery in Camarillo and Custom Time Gallery in Port Hueneme. The Coriell Gallery of Albuquerque, New Mexico has also represented Don. Presently, his mural and commercial art is represented by Professional Art Services in Mission Viejo, California. Don's studio, however, has become his most important gallery. There are usually sixty to seventy paintings on display as well as others by artists he considers his masters and mentors.

Don is a signature member of the National Watercolor Society, an artist member of the California Art Club and a signature member of the Gold Coast/Buenaventura Art Association. His paintings may be found in many government and corporate collections and are also a part of numerous private collections in the United States and abroad.

### IMPORTANT ANNOUNCEMENT

#### WVAG Open Juried Show

**March 14 – April 28, 2012**

#### NEW DIGITAL JURY PROCESS

**SUBMIT – NLT FEBRUARY 15, 2012**

In order to streamline the entry process for the WVAG Open Juried show and reduce volunteer time to manage take in, we will be using a digital jury process next year. Participants will simply need to submit up to 4 images of artwork they would like to enter in the show. These can be emailed to Dennis Griffin at [studiogriffoto1@mac.com](mailto:studiogriffoto1@mac.com), or mailed on CD to the WVAG, P.O. Box 4573 Thousand Oaks, CA 91359.

In order to make this process as easy as possible for our members, Dennis Griffin and Craig Morton have offered their services to photograph participants' artwork and provide them with a CD that can be submitted for the jury process to enter the show. Both Craig and Dennis will be exhibiting their work during the month of December 2011 at the Thousand Oaks Gallery in Newbury Park. Interested parties can schedule a time to bring in their artwork to be photographed and put on a CD. If necessary, they will also offer this service during the WVAG Members show in January 2012 at the Gallery. We want this process to be as easy as possible for those who wish to participate in the Open Juried Show, because we believe it will greatly reduce the work involved and make the experience for everyone much more enjoyable. For more information, please contact Dennis Griffin at (805) 262-2168, or [studiogriffoto1@mac.com](mailto:studiogriffoto1@mac.com).
